

Before you begin... Here are few steps to help guide you toward a wise investment...

- 1) Find your favorite pictures you would like to print out, Making sure to write down their gallery and numbers on a separate sheet of paper.
- 2) Once you have your list of pictures, add each image to the red CART button (on the top right hand-side), DON'T forget to select the size / quantity of the Prints you desire. If you would like a Canvas, Statuettes or other product (i.e...Sweat shirt, Mug, Mouse pads, Keychain) of your favorite image you can order that as well, Just remember to pick the quantity you want next to the image.
- 3) After you pick your first image and choose the product you would like to have printed, you can add that finished item to the cart, by pressing the "ADD and Continue" button, and this will allow you to pick your next image to print. You do this over and over again for each image you want to print. **Just remember to follow all 3 steps for each image you want to print.**
- 4) After you last image and once you have gone through you list of images and are satisfied with what you are about to order. It's time to place the order to print everything. Press the "Add and Go to Cart" button in the middle of the bottom set of buttons. This will bring you to a special page.
- 5) **This special page will allow you to make some final adjustment to each print/product.** You can choose Special print papers, Colors, Sizes, and Centering the picture to the item of your choosing. **You must do this for each item you have chosen to purchase.**
- 6) Once you're done with step #5, you can press the "proceed to checkout" button. This will bring you to a Register/Login Page; here you can sign up for faster checkout, and to view your order history. Or you can do a Guest checkout, and get your info e-mailed to you.
- 7) The rest is pretty much self-explanatory, but if for any reason you still feel like you need help with the ordering process. Please feel free e-mail us at info@amunetstudios.com or call us at 678-607-7451
